Workshop on Engineering Applications 2025
Artificial Intelligence, Optimization and Simulation
Oct. 29-31, 2025, Cali - Colombia

CERTIFICATE

October 31, 2025

To whom it may concern.

This certifies that **Maria Daniela Cascavita Mendieta, U. Militar Nueva Granada - CO** has attended and presented the **Paper ID: 32** entitled **"Detection of Deepfakes in Images Using Convolutional Neural Networks"** in the 2025 Workshop on Engineering Applications (WEA 2025) held from Oct. 29-31, 2025 at the Universidad Autónoma de Occidente, Cali - Colombia.

Sincerely,
